4. Chairmans Report

The Chairman stated that it had been a year of consolidation with the Parish Council and building on its success of various projects.

The highlight being the opening of the Children's Play Area and the ceremony was well supported by all who had been involved with its conception and completion, this had also been a great success with the community.

Due to various pressures the roads had at last been resurfaced although disappointed that the short stretch from the village green to the Play Area had been left and has remained in poor condition.

Planning applications had been varied but none had been controversial.

The Chairman thanked the Council for their support and continued involvement during the year and hoped this would continue for the foreseeable future.

5. Any other business:- None

6. Date of next meeting:- 17th May 2018
